Dear.....

This is to confirm your haul out booking and to enclose our standard agreement which I would advise you to read carefully.

You will need to return this to me as soon as possible, but at least one week before the time your boat is to be hauled. This will help avoid confusion and double booking.

You will note that it is our policy to ask you to pay in advance and to include a deposit to cover the condition in which the area is left. As stated in the agreement, this will be refunded if the site is left in a satisfactory condition. This means that we would like the sand and shells removed before launching and ask you not to drop paint in any part of the area.

It is recommended and is advisable for you to help with the cradle preparation usually the day prior to haul out.

If you wish to contact me regarding any of this please phone me at 372 6729 or 0274 756 419
